

## **Electronic Faucets**

Battery Operated - 4" Lavatory - Cast Brass one-piece body with integral waterproof sensor and connector

## SPECIFICATION:

- CAST BRASS one piece body with Integral waterproof sensor and connector
- H2Optics® technology- no external adjustments required •
  - Serviceable filter upstream of the solenoid valve
  - Metal hold-down package
- Adjustable sensing range and timeout
  - BATTERY OPERATED (4 'C' cell, except when -HP selected) infrared electronic handwash
  - Audible low battery indicator
- Chrome Finish

•

- Spout#: 2 4" (102mm) Cast Brass Electronic Faucet
- Outlet#: 5 Vandal Resistant 0.5 USGPM (1.9L/min) Flow Control Nonaerating spray outlet
- Solenoid and Controller in Plastic Surface Mount Housing-NO MIXING VALVE SUPPLIED
- Forged brass solenoid valve

## **OPERATION:**

- Hands free (touchless) operation
- Water flows when sensor is activated
- Water flow stops upon deactivation of sensor
- Auto shut-off feature that is selectable between 15 to 75 seconds- factory set to 45 seconds- will reset once obstruction is removed
- Adjustable sensing distance from 76 to 381 mm (3" to 15")- factory set to 229 mm (9" plus or minus 1")
- Low battery audible beep- will activate after faucet shuts off when approximately 1500 cycles remain.

## (Dimensional drawing on following page)

Dimensions are for reference. leasurement may vary plus or minus 6mm(0.25"). Mounting locations are suggested only. Check with local codes for requirements in your area. This spec was produced January 28, 2013.

Model No: 591T1250

For optimum performance of this product, we recommend a system pressure between 20 and 80 PSI static. This product will operate up to a

maximum of 125 PSI static per ANSI and CSA requirements. However, we

do not recommend pressures above 80 PSI. Thermal expansion or leaking

pressure reducing valves may require use of expansion tanks or relief

ADA compliant and meets Handicapped Accessibility Standard ASME

valves to ensure your system never exceeds its maximum intended

**COMPLIES WITH:** 

pressure setting.

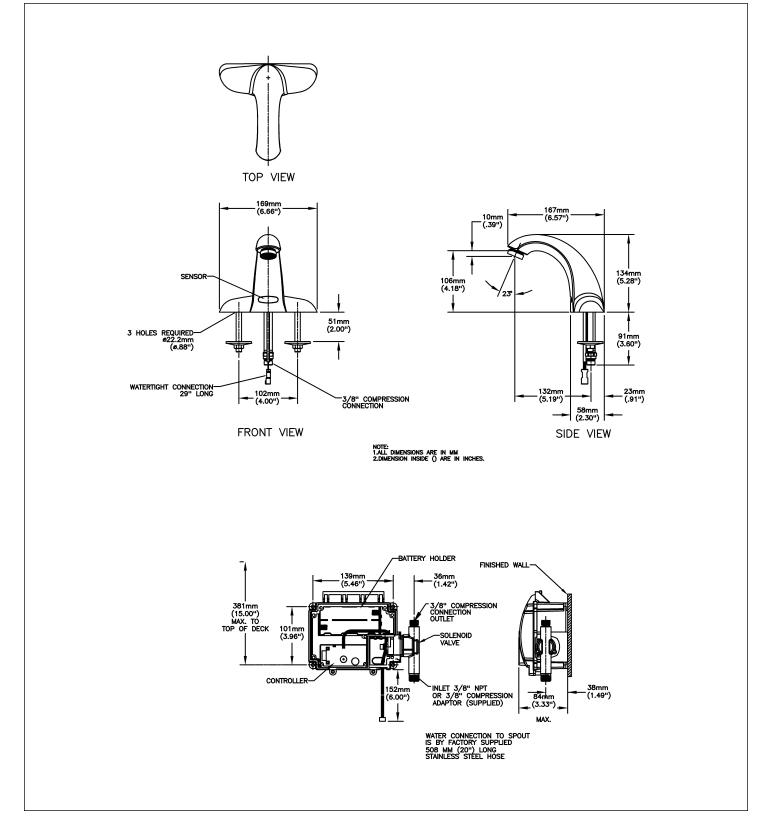

CSA certified.

Complies to ASME A112.18.1/CSA B125.1

A117.1 of less than 5 lbs. handle operating force
