RET4 AND RET6

4" AND 5-6" RETROFIT LED DOWNLIGHT

These LED Retro downlights offer a simple option in any traditional downlight retrofit application. Easily replace the original lamp and trim with this LED solution and save on energy consumption and maintenance costs. With an E26 socket adaptor, this luminaire will fit in most traditional 4" and 5" - 6" housings, and will be installed in no time.

FEATURES AND SPECIFICATIONS

• Construction

Physical Characteristics

- White, Bronze, Brushed nickel and Black aluminium trim
- Available in 4" and 5-6" round and square
- 100° beam angles
- Frosted lens

Mounting

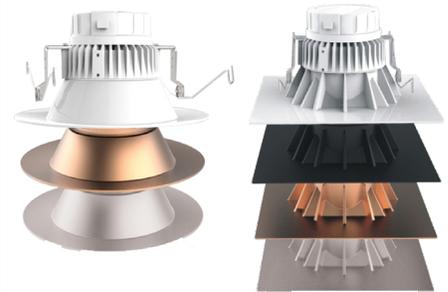

- Retrofit application
- Quick connect wire

• Performance data

- Available in 3 000 and 4 000 K
- 80+ CRI for true color accuracy
- Estimated life of over 50 000 hours to L70
- Phase cut (ELV / Triac) dimming standard
- Operating temperature:
 - 30 °C to 40 °C (-22 °F to 104 °F)

• Compliances

- cULus listed for damp locations
- Energy Star
- Meets requirements of ICES-005 issue 5 class B for use in residential applications
- IC rated for direct contact with insulation
- Airtight as per ASTM E283 standard

OVERVIEW

Light source	LED
Watts (W)	9 - 15
Lumen output (lm)	631 - 978
Efficiency (lm/W)	65 - 70
Color temperature (K)	3 000, 4 000
CRI	80+

	CTCL-153P	TGCL-153P
	S-603P	PD-6WCL

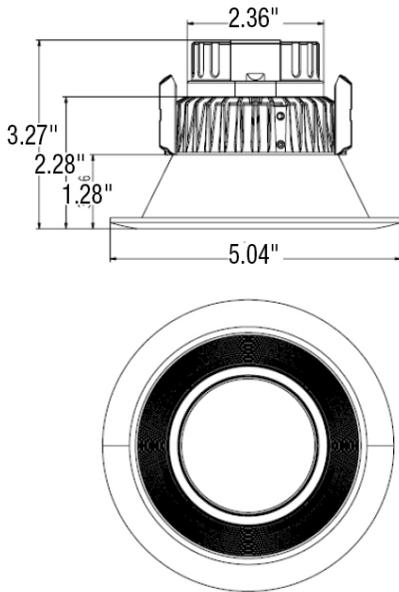

Dimming range: 5%-100%

¹ This table shows dimmers that have been tested and have demonstrated proper operation under normal conditions. Each installation being unique, various factors such as load, common neutrals or other electrical products on the circuit can, in certain instances, cause variance in system performance. Read and comply to the dimmer installation instructions. Consult dimming system manufacturer for additional support in operation. Some dimmers may require more than one product for stable operation. Stanpro recommends to use dimmers designed to work with LED products. Older dimmers designed for incandescent products may cause erratic operation.

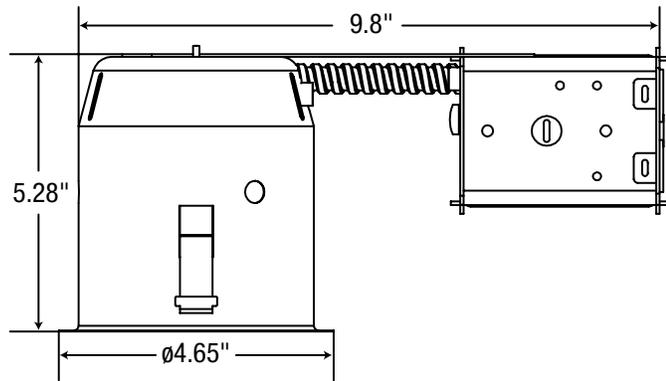

Data is based upon tests performed in a controlled environment. Actual performance can vary depending on operating conditions. All products are subject to change or may be discontinued any time without notice. Please contact your Stanpro customer service representative to confirm inventory levels at time of order.
