

B04 PETITE —

BARiL

STYLE × FUNCTION

Born from the desire to offer a versatile and timeless product, reminiscent of the ubiquitous little (PETITE) black dress, this collection will seduce you by its simplicity. Composed of accessible faucets and accessories, PETITE displays delicate and refined lines, yet is built with solid premium components. This collection is available in a wide range of finishes, including our new Black Titanium (KM).

Single hole lavatory faucet,
drain included

BARiL

STYLE × FUNCTION

Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

Adjustable aerator

Allows adjustments in the water stream's direction by the touch of a finger

Easy installation

Very sturdy installation using a threaded rod with a special tightening tool included in the box

Refined design

Delicate and sophisticated square spout paired with a round body, for an elegant and timeless design.

European cartridge

Made with high performance ceramic, this cartridge is amongst the most durable on the market

Streamlined look

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod

High quality material

BARiL faucets last longer because they are forged of solid brass thicker than average

Adjustable Aerator

BARiL
STYLE × FUNCTION

Our easy-to-clean German-made swivel aerator lets you direct the flow where you want it. Simply rub this soft silicon aerator with your finger to clean it, and continue to enjoy its perfect crystal-clear stream. No more splashing!

Ecological Options

BARiL is supporting the environment by offering options to reduce the water flow thereby economising your water usage

Attention to Detail

BARiL faucets are designed with both style and function in mind. The perfect alignment of moving parts like the handle versus the body, as well as the inclination of the spout enhancing ergonomics, are only two examples of our dual design thinking.

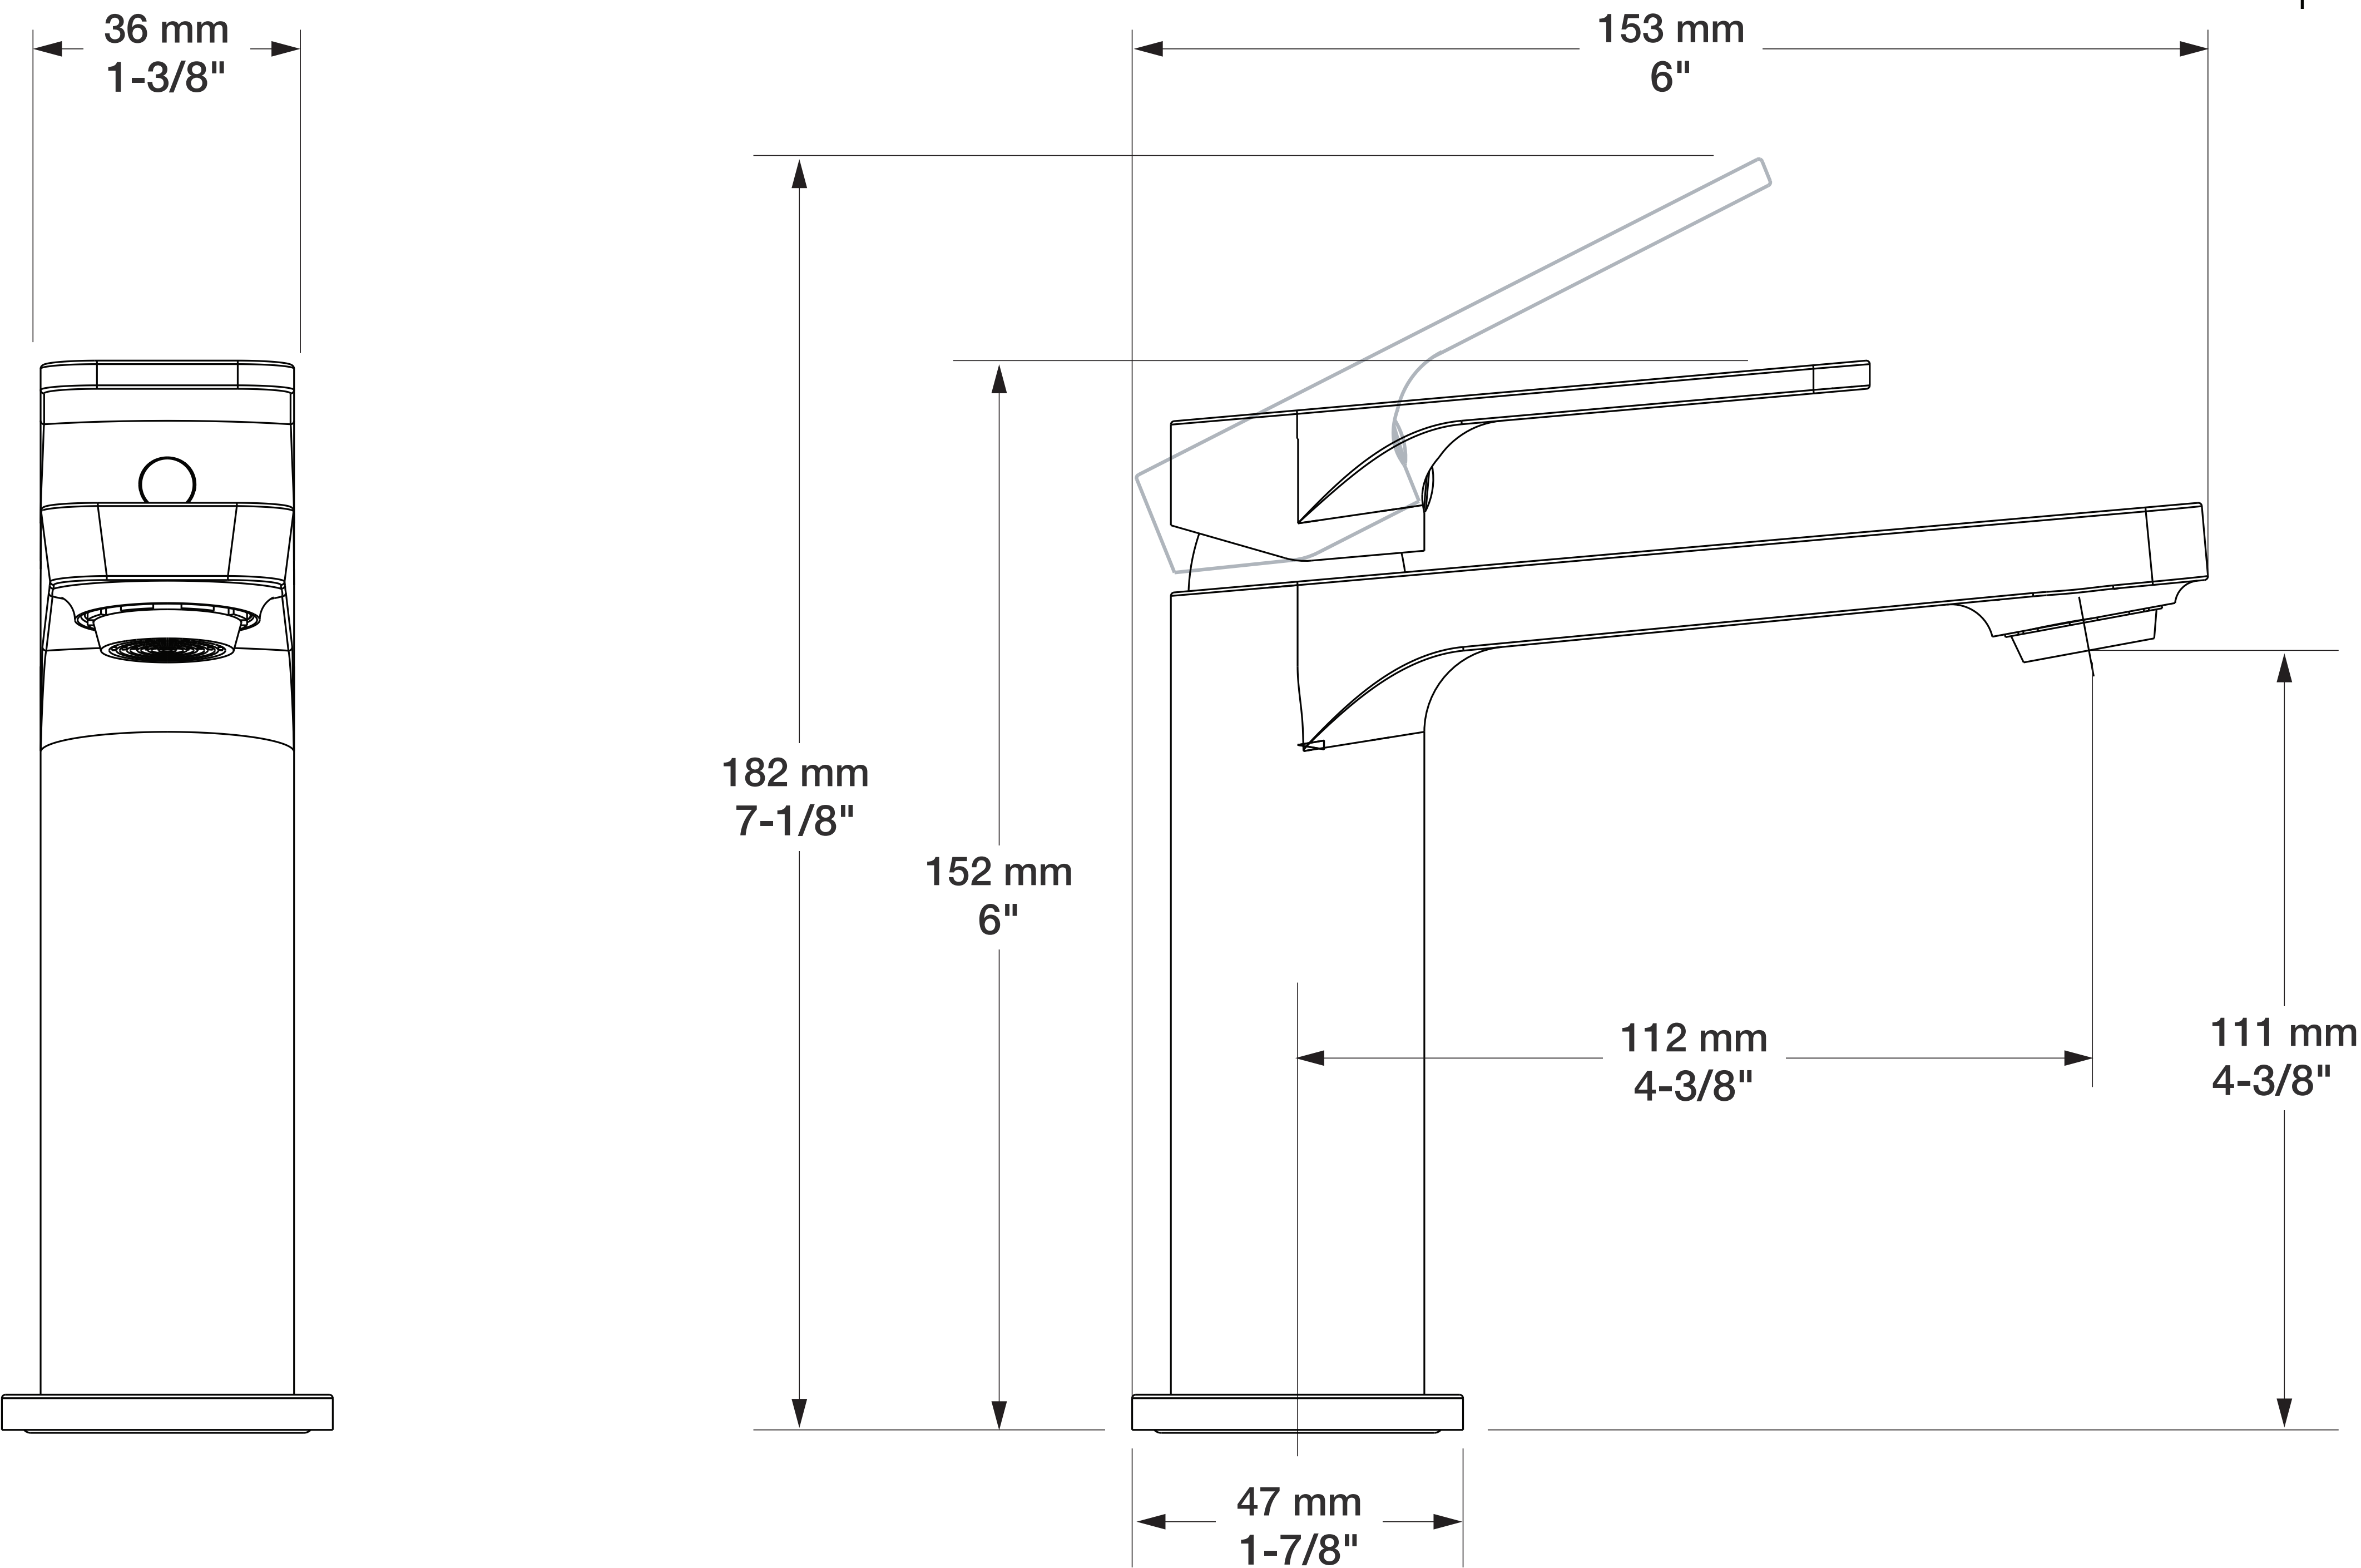

Dimensions:

Model: B04-1005-1PL-xx

Faucet height: 6"

Aerator clearance: 4-3/8"

Spout reach: 4-3/8"

Push-Button Drain

With its large cap, the BARiL push-button drain looks more elegant than regular drains. It is also quicker and easier to install since there are no unsightly rods to adjust.

BARiL
STYLE × FUNCTION

Impeccable design

The large cap covers the whole drain, giving it a high-end look.

Overflow

The included drain is one with overflow (po plug). For a drain without overflow (co plug), order B04-1005-00L-xx and REN-8403-02-xx or REN-8423-02-xx separately.

Robust tightening nut

Very sturdy installation thanks to a long and easy to tighten brass nut.

Specifications:

Model: REN-8422-02-xx

Diameter of the cap: 2-5/8"

Drain hole size: 1-3/4"

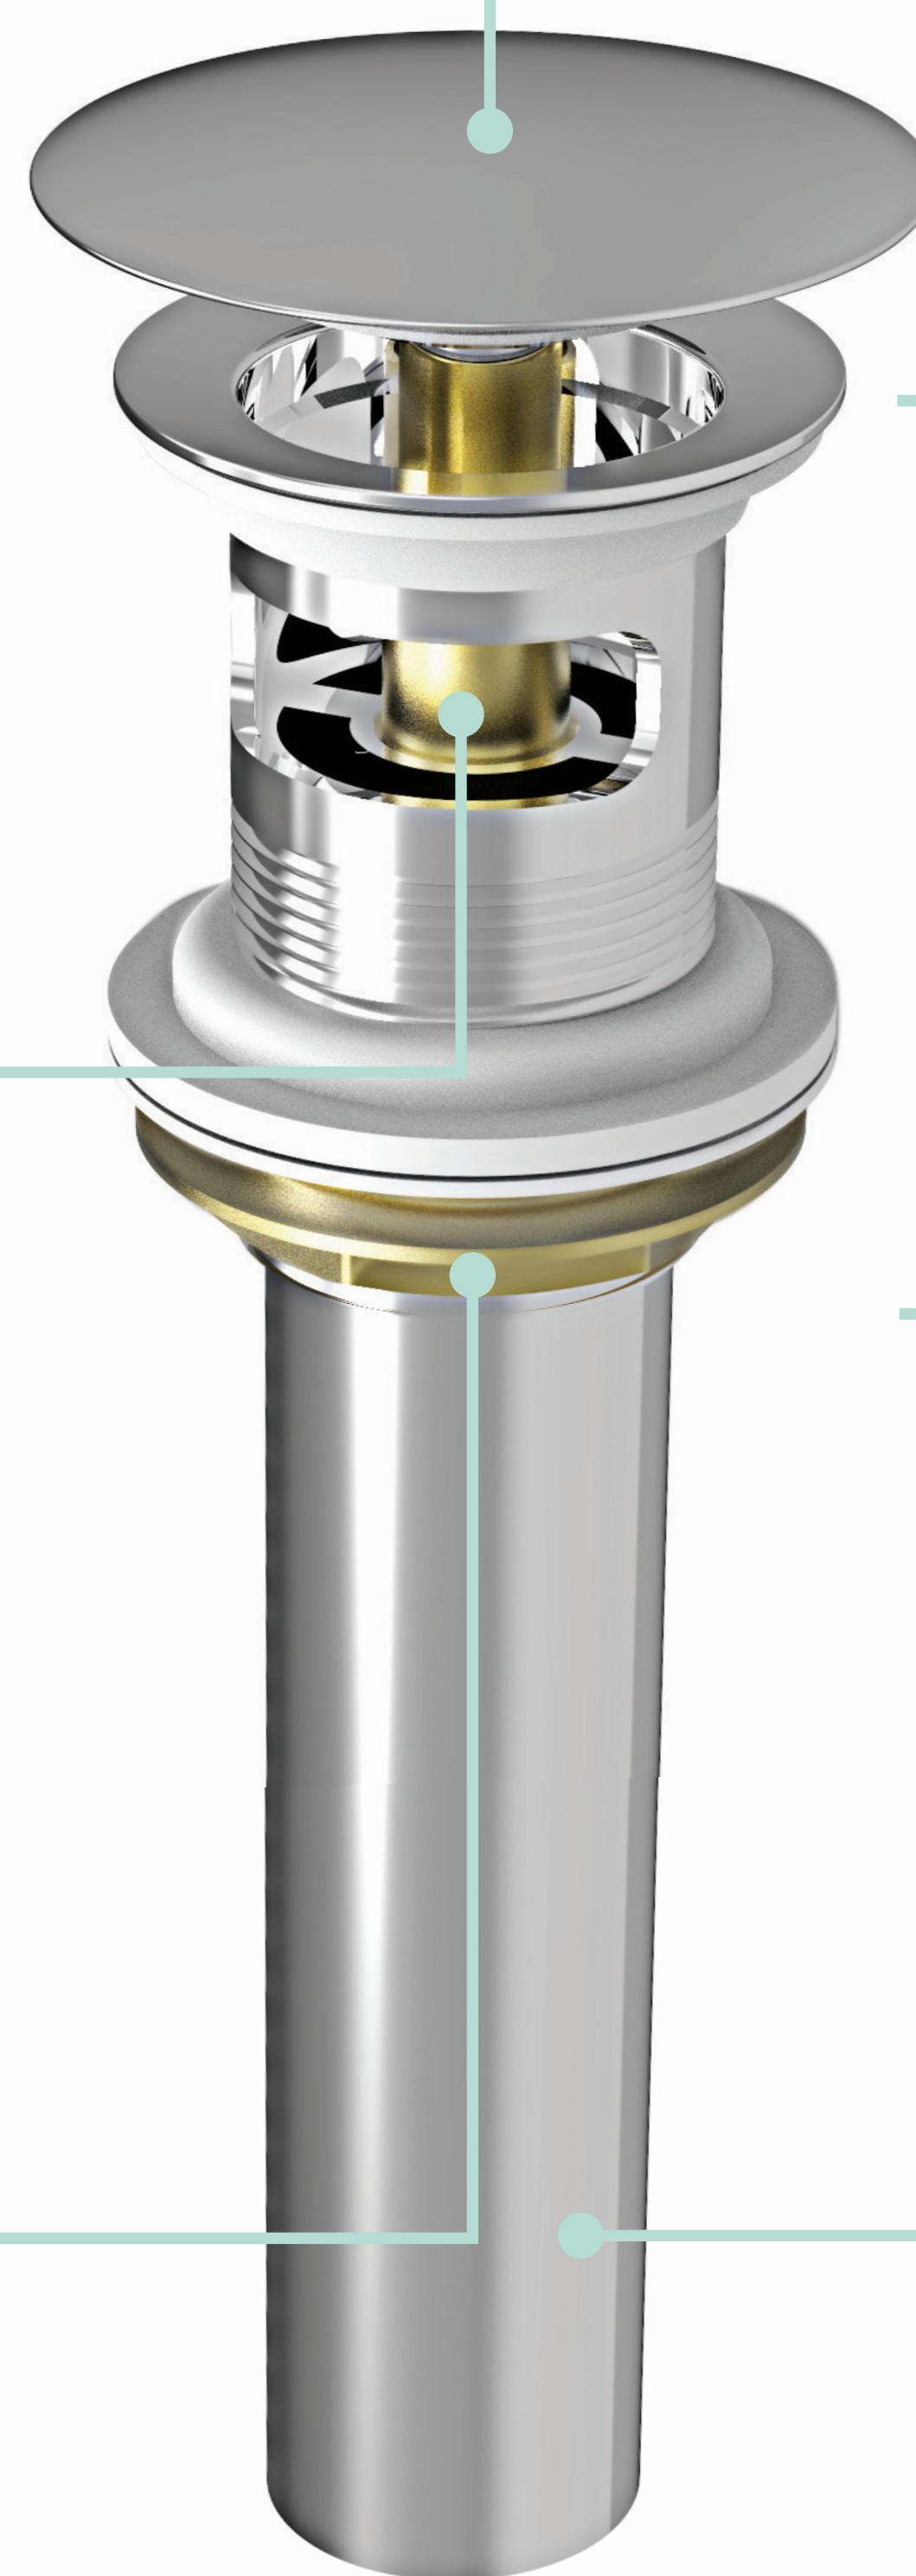

Rubber gaskets: Included

Adaptable length

The length between the metal ring and the end of the threaded pipe is 3-1/8" (80 mm), making it a fit for every sinks.

High quality material

BARiL drains last longer because they are made of solid brass thicker than average.

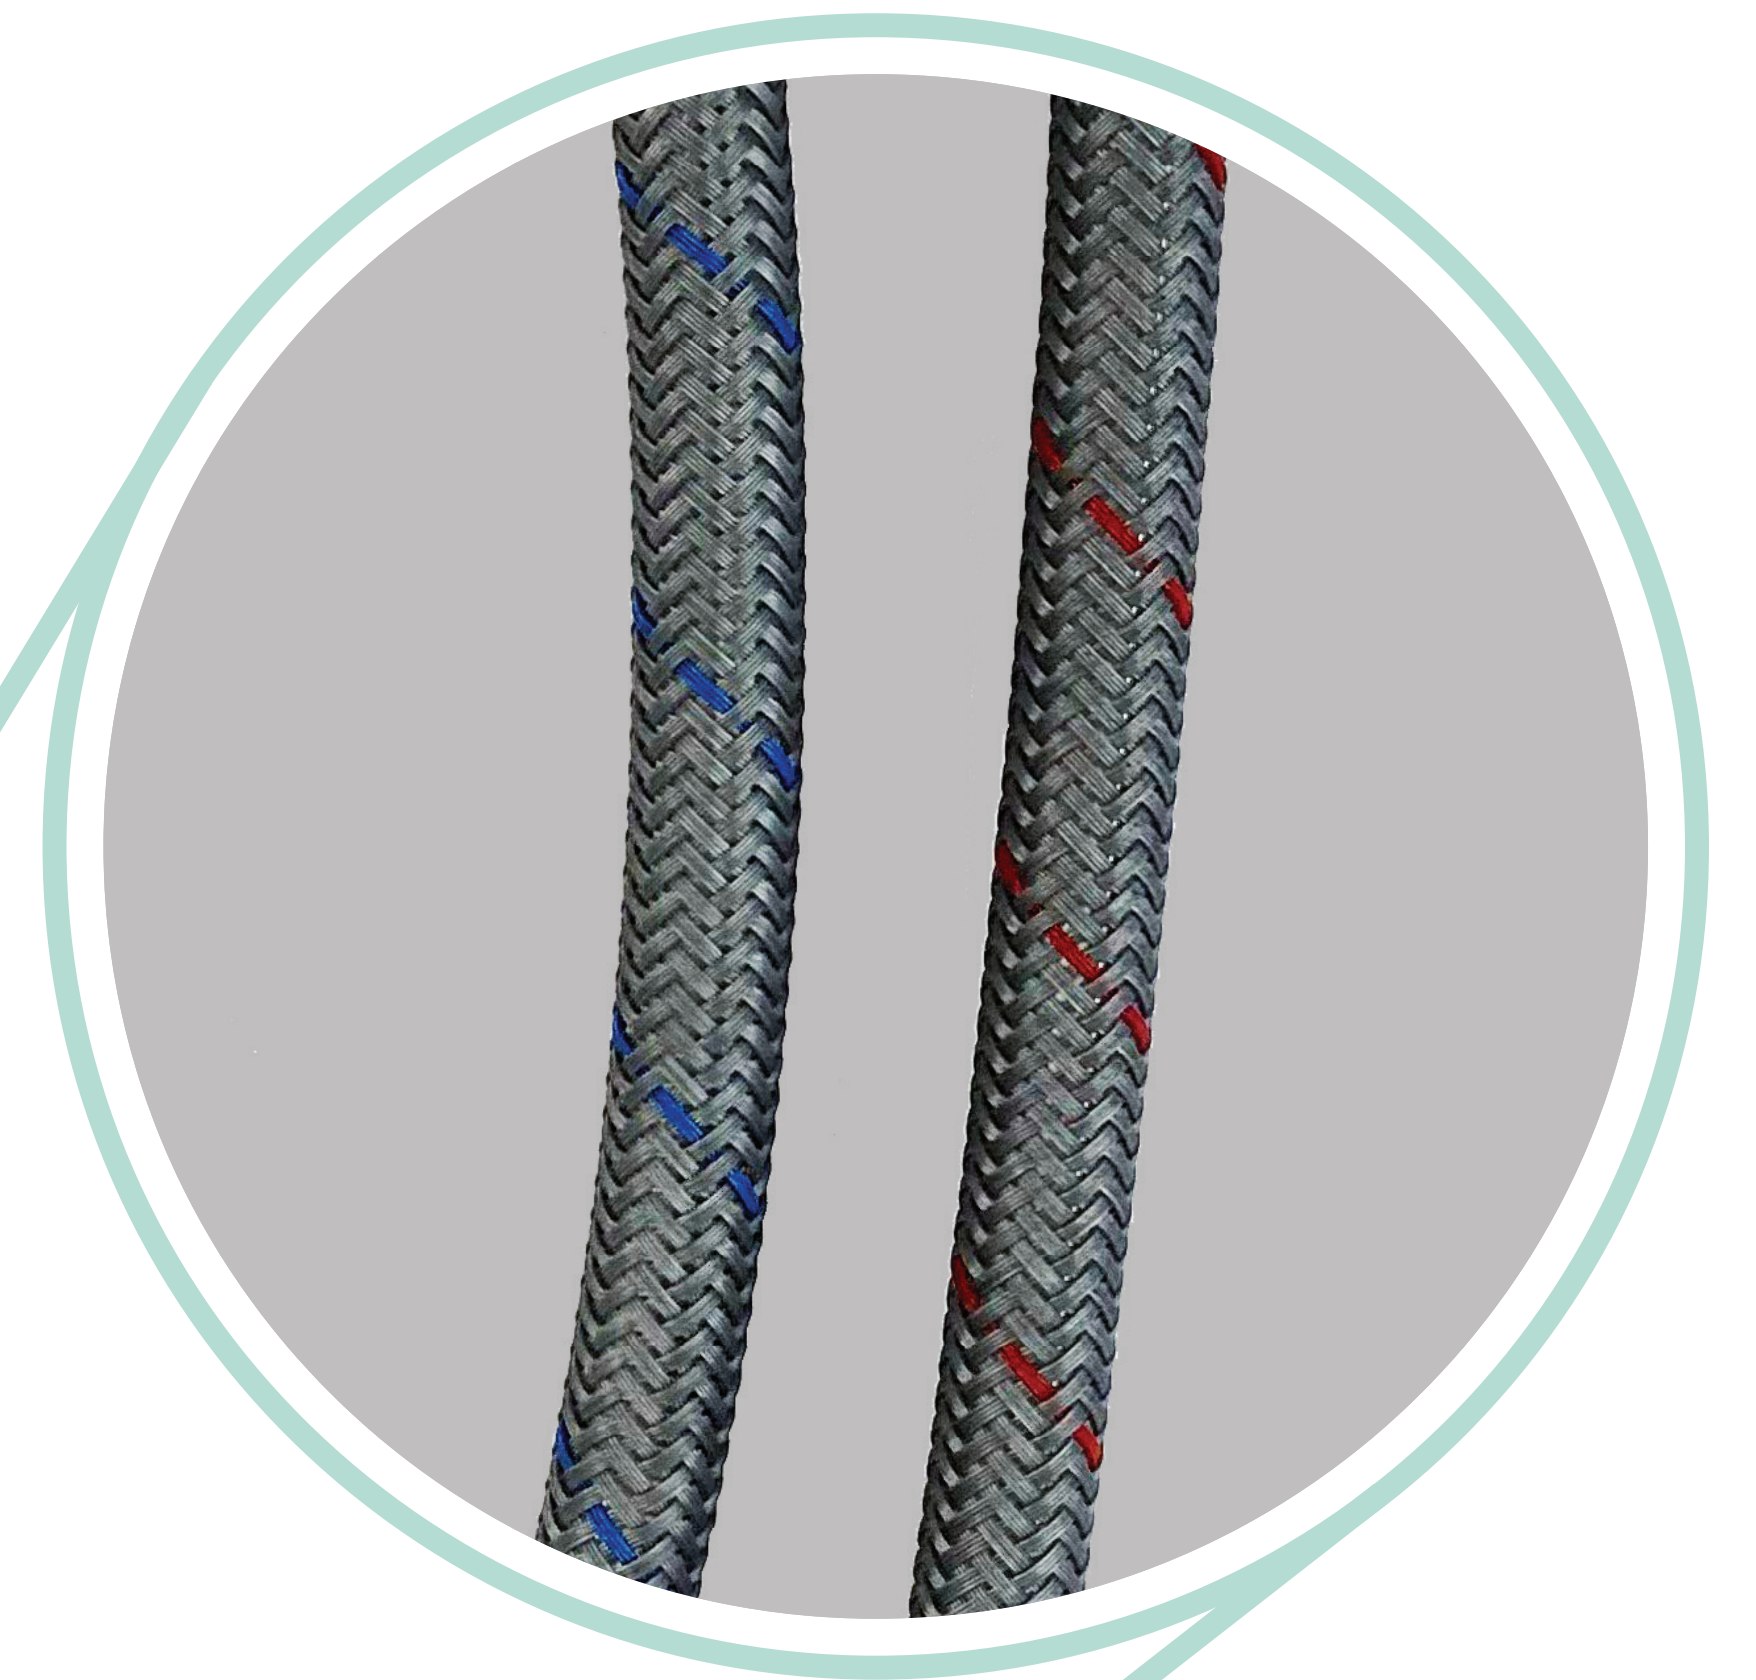

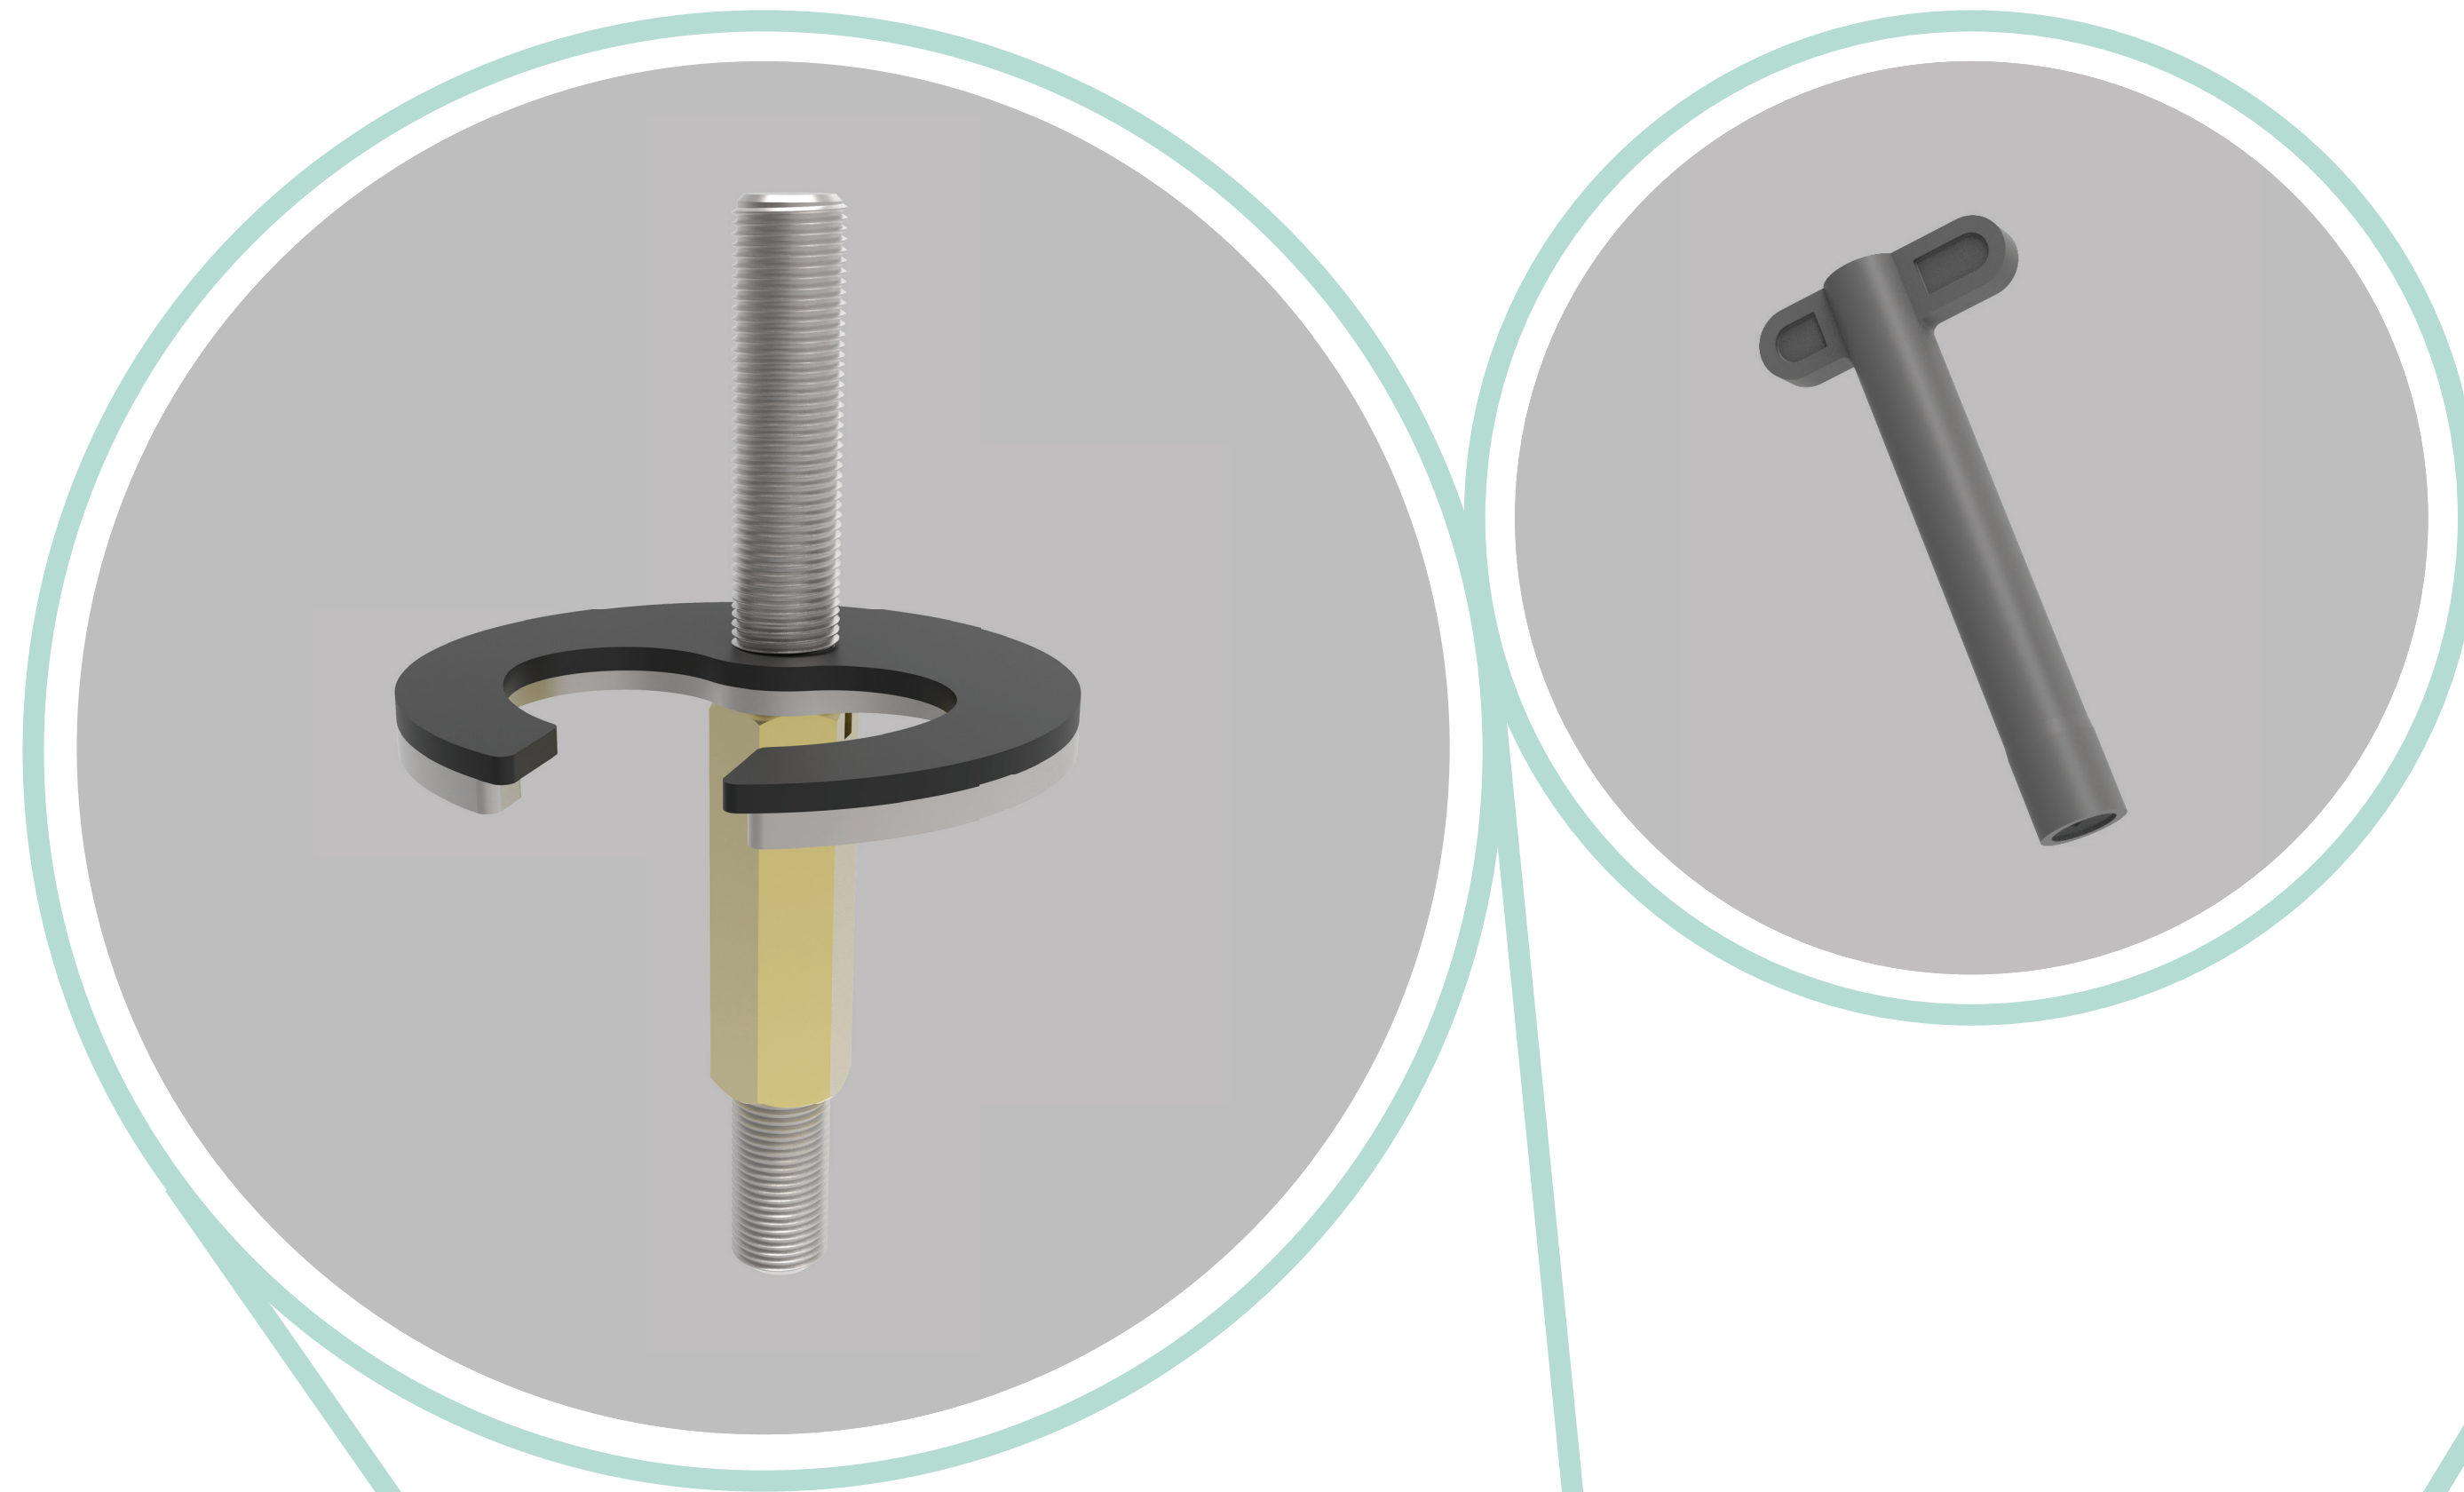

Easy installation —

Very sturdy installation using a thick threaded rod and a special tightening tool included in the box; easy to tighten, even with minimal space behind the lavatory.
