

Two Handle Lever Handle Kits Equipos de Manijas Dobles de Palanca

- These handle kits fit all two handle Kitchen, Bar, Lavatory, Tub/Shower and Bidet models. **IMPORTANT:** For two and three handle Tub/Shower models discard the short screws supplied with this handle kit and use the long screws provided with your valve.

- These handle kits fit all two handle Roman Tub models.

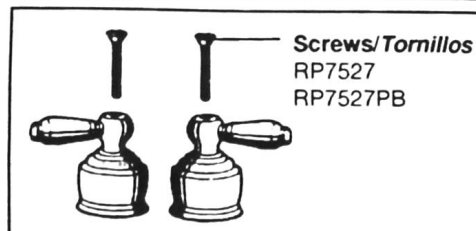

- Estos equipos de manijas le sirven para modelos de manijas dobles para cocina, bar, lavamanos, bañera/regadera y bidé. **IMPORTANTE:** Para modelos de bañera/regadera de manijas dobles y triples descarte los tornillos cortos suministrados con este equipo de manijas y utilice los tornillos largos incluidos con su valvula.

- Estos equipos de manijas le sirven a todas las manijas dobles de bañeras romanas.

Lever Handles—Stem units must be installed so stops on stems both point to the right.

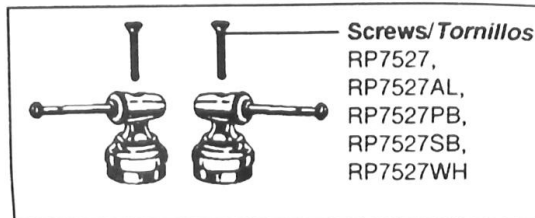

Mangos de Palanca—Las unidades del vástago tienen que ser instaladas de tal forma que ambos topes en los vástagos apuntan a la derecha.
